2. Progress

Progress made by partners was discussed and it was agreed the project had an impact in all our schools. Most partners had completed this terms project work.

3. Project work January to March

A calendar for the project was circulated and discussed. A partners agreed they had a clear understanding of the next phase of the project.

4. What will the toolkit look like?

The toolkit will be a file produced by our Portuguese partner. File 1 will be a file incorporating information reflecting the transition in all partner schools and will be our complete end product. File 2 will be the same file but specific to our individual schools. A third file will be for the individual student.

5. Clarification of sections of the toolkit

The various sections to be included in the toolkit were discussed, these being:

Section 1

Who am I?

A template about the young person, including likes, dislikes, communication

Section 2

Healthy lifestyles

Information about leisure activities and facilities

A balanced diet

Shopping and meal planning

Suggestions for recipes for healthy snacks and meals

Helplines for eating disorders

Section 3

Independent living

Staying safe - personal safety, safety using social networks, cyber bullying etc

Home care

Budgeting

Independent travel

Section 4

Choices post school

Current information regarding post school provision

A CV template and example

How to complete an application/benefit form

List of agencies that can help

How to write a letter

Use of ICT

Section 5

My final choice

A visual college routine I.e timetable, the cafeteria, getting to college, making friends, Staying safe

Section 6

Helpful contacts - list of phone numbers and addresses of services

6. Durham meeting

All partners were to let AS know how many hotel rooms they will require during the visit. Durham City is a tourist centre so rooms need to be booked early. The Darlington planning meeting will be in April 2014. It is planned the seminar in Durham will be sex education and relationships.

7. Distribution of project work

Project work was circulated between partners.

8. AOB

- AS thanked Reet and her colleagues for arranging such a great planning meeting.
- SD explained and demonstrated how to access Etwinning, a requirement of the project.
- AS informed the group that she had received an email from Athena saying Corfu were now in the project. I will keep you informed.

Ann Southren
Co-ordinator
